

DCC602-C71 - Product Discontinuation

Dear Valued Customer,

Microlab is discontinuing the product listed here, effective immediately. Microlab will not be manufacturing or stocking this product going forward, and additional requests beyond existing stock levels will not be accepted. There is no direct replacement available at this time; please contact our sales team at sales@microlabtech.com to discuss alternative solutions for your application.

Microlab will continue to honor any warranty issues on the discontinued product up to three years from date of sale or as defined by contract

Thank you for your business,

The Microlab Team
