

Product Discontinuation Notice

Dear Valued Customer,

August 21st, 2019

Microlab will be discontinuing the indoor modular MCC100 series products listed here to standardize on the released outdoor modular MCC200 series products, improving the price and lead time for our customers. Microlab will not be manufacturing or stocking the discontinued products anymore. Additional requests for discontinued products beyond existing stock levels will not be accepted. Microlab recommends a developed and released alternate product to replace the discontinued product.
